Everyone has secrets... Some are just more deadly than others.

Madison, a young psychology graduate haunted by guilt, grabs a golden opportunity at a Silicon Valley tech giant. But what begins as a fresh start quickly spirals into a nightmare when she uncovers her VP boss's deadly secret and is thrust into a high-stakes conspiracy the FBI is desperate to crack. An unprecedented crime from the past threatens to repeat on an unimaginable scale. A shocking revelation, and her quest for redemption, could get her killed.

Tick...tick...tick...
